## I'll String Along With You

## **Diana Krall**

You may not be an angel 'Cause angels are so few But until the day that one comes along I'll string along with youI looking for an angel To sing my love song to And until the day that one comes along I'll sing my song to youFor every little fault that you have Say I've got three or four The human little faults you do have Just make me love you more You may not be an angel But still I'm sure you'll do So until the day that one comes along I'll string along with youFor every little fault that you have Say I've got three or four The human little faults you do have Just make me love you more You may not be an angel But still I'm sure you'll do So until the day that one comes along I'll string along with you
