I Really Am Grateful

Benjamin Dube

I'm amazed at how u fold me.
I'm amazed at how u made me,
Lord I am grateful
for what you've done fo me.

I'm amazed at how died for me,
An I'm amazed at set me free.
Lord I grateful for what you've done for me..
(Repeat)

You're my creator, you are my saver and been my father all this year's I know you won't leave me,
Because You've been too faithful
Lord I am grateful for what you've done for me.

I'm amazed at how you ordered my stand,

I'm amazed how you placed my feet .
Lord I am grateful,
I'm amazed at where you brought me from an I'm amazed where I am today.
Lord I am grateful for what you've done for me .
