# Stay With Me Tonight

## Tony Lucca

I know it's in you baby
I can see it on your mind
Keep saying things like maybe
With convictions hard to findAin't gonna twist your arm this time
Try as I might to make you mine
Been thinking about you babyCHORUS:
Just say you'll stay with me tonight
Say it's okay
I'll say that it's alright
Maybe this time we'll find
I can be all yours
You'll be all mine
If you stay with me tonightThey're still talkin' 'bout us baby
Headlines full of you and I
The way you drove me crazy
That river I made you cryThis what they call the test of time
Stand in the sand where once we drew the line
Can't seem to remember whyCHORUSSay it's okay
I'll say it's alright
Maybe this time we'll find
I can be all yours
You'll be all mine
Won't you stay with me tonightStay with me tonight
Stay with me
