

# Stay With Me Tonight

**Tony Lucca**

I know it's in you baby  
I can see it on your mind  
Keep saying things like maybe  
With convictions hard to find  
Ain't gonna twist your arm this time  
Try as I might to make you mine  
Been thinking about you baby  
CHORUS:  
Just say you'll stay with me tonight  
Say it's okay  
I'll say that it's alright  
Maybe this time we'll find  
I can be all yours  
You'll be all mine  
If you stay with me tonight  
They're still talkin' 'bout us baby  
Headlines full of you and I  
The way you drove me crazy  
That river I made you cry  
This what they call the test of time  
Stand in the sand where once we drew the line  
Can't seem to remember why  
CHORUS  
Say it's okay  
I'll say it's alright  
Maybe this time we'll find  
I can be all yours  
You'll be all mine  
Won't you stay with me tonight  
Stay with me tonight  
Stay with me
