

No One Else Comes Close

Backstreet Boys

Advisory - the following lyrics contain explicit language:

When we turn out the lights
The two of us alone together
Something's just not right
But girl, you know that I would never
Ever let another's touch come between the two of us
'Coz no one else will ever take your place
No one else comes close to you
No one makes me feel the way you do
You're so special, girl, to me
And you'll always be eternally
Every time I hold you near
You always say the words I love to hear
Girl, with just one touch you can do so much
No one else comes close
And when I wake up to
The touch of your head on my shoulder
You're my dream come true, yeah
Oh girl, you know I'll always treasure
Every kiss, every day I love you, girl, in every way
And I always will 'coz in my eyes
No one else comes close to you
No one makes me feel the way you do
You're so special, girl, to me
And you'll always be eternally
Every time I hold you near
You always say the words I love to hear, babe
Girl, with just a touch, you can do so much
No one else comes close
Oh girl, no one else comes close
