

It Must Have Been Love

Roxette

It must have been love but itÂ's over now...

Lay a whisper on my pillow
Leave the winter on the ground
I wake up lonely, thereÂ's air of silence
In the bedroom and all around

Touch me now, I close my eyes
And dream away

It must have been love but itÂ's over now
It must have been good but I lost it somehow
It must have been love but itÂ's over now
From the moment we touched Â‘til the time had run out

Make-believing weÂ're together
That IÂ'm sheltered by your heart
But in and outside IÂ've turned to water
Like a teardrop in your palm

And itÂ's a hard winter's day
I dream away

It must have been love but itÂ's over now
It was all that I wanted, now IÂ'm living without
It must have been love but itÂ's over now
ItÂ's where the water flows
ItÂ's where the wind blows

It must have been love but itÂ's over now
It must have been good but I lost it somehow
It must have been love but itÂ's over now
From the moment we touched Â‘til the time had run out

It must have been love but itÂ's over now
It was all that I wanted, now IÂ'm living without
It must have been love but itÂ's over now
ItÂ's where the water flows
ItÂ's where the wind blows
