

Disco Heaven

ãf¬ãf‡ã,£ãf^{1/4}ãf»ã,¬ã,¬

Oh, disco heaven

Oh, disco heaven

Get back, bunny

It's getting cold in here little honey

We got a show to put on your dress

Take a minute for us and relax, relax

Cupid's got me, oh with his bow & arrow, baby

He'll hit you in the pants, hot pants

Get the people to dance and relax, relax

Oh, the lights dim while, we're dancin'

Yeah, the floor is shakin'

In this disco heaven

(Oh, disco heaven)

D-Disco heaven

(Oh, disco heaven)

Oh, the lights dim while, we're dancin'

Yeah, the floor is shakin'

In this disco heaven

(Oh, disco heaven)

D-Disco heaven

(Oh, disco heaven)

Throw your head back, girly

Throw it like those girls in the movies

We've got a show to put on your dress

Take a minute for us and relax, relax

The ball is turning, a 300 mirrors are burning

Through the hearts of the crowd

In the back hips just banging the track

To the music, music

Oh, the lights dim while, we're dancin'

Yeah, the floor is shakin'

In this disco heaven

(Oh, disco heaven)

D-Disco heaven

(Oh, disco heaven)

Oh, the lights dim while, we're dancin'

Yeah, the floor is shakin'

In this disco heaven

(Oh, the disco heaven)
D-Disco heaven
(Oh, disco heaven)
Oh, we've got that disco
D-I-S-C-O
And we're in heaven
H-E-A-V-E-N
In disco heaven
Feels just like heaven
Disco heaven
Disco heaven
A line up for the dance
Yeah, bring those fancy pants
Y'know, there's disco in the air
And hairspray everywhere
A disco heaven
A disco heaven
Disco heaven
Disco heaven
Oh, the lights dim while, we're dancin'
Yeah, the floor is shakin'
In this disco heaven
(Oh, disco heaven)
D-Disco heaven
(Oh, the disco heaven)
Oh, the lights dim while, we're dancin'
Yeah the floor is shakin'
In this disco heaven
(Oh, disco heaven)
D-Disco heaven
(Oh, disco heaven)
