

You Are The Way

True Vibe

This planet keeps on spinnin'
Around and around
Sometimes I get confused
It's easy to feel busy
So I keep my eyes on You You are the way
That shines through the dark
You are the truth
That brings hope to the heart You are the one
That keeps me alive
I believe You are
The way, the truth and the life And when I fear the darkness
I cry out to You
You shine like the morning sun
You give me peace in my heart
You are the only one You are the way
That shines through the dark
You are the truth
That brings hope to the heart You are the one
That keeps me alive
I believe You are
The way, the truth and the life I'll follow You all the way
All the way to Heaven
Jesus, my Savior and my friend You are the way
You are the life in me
You are my hope
You are my everything You are the way
You are the truth
You are the life in me You are the way
You are the life in me
You are my hope
You are the way
You are the life in me
I'll cry out to you You are the way
That shines through the dark
You are the truth
That brings hope to the heart And You are the one
That keeps me alive
I believe You are
The way, the truth and the life You are the way

That shines through the dark
You are the truth
That brings hope to the heart You are the one
That keeps me alive
I believe You are
The way, the truth and the life You are the way
You are the truth
And You are the one
That keeps me alive
I believe You are
The way, the truth and the life
