Swerve

Sage The Gemini

[Verse 1]
Hating ass niggas got plenty
I'm the shit first name ain't Winnie, yup
Big ass niggas from The City
Trying to say it with your chest but bitch you got titties
Got your girlfriend face down ass up
See the diamonds its a problem got bad luck
Call a nigga late night saying bad stuff
I hit it from the back bruh tell her to back it up
I get money and bitches, shout out to Fat Veezy broke
Broke bitches act up I turn Chris Breezy
Its like yeeee ho swerve you do not please me
You niggas hella weak yeah I know you see me

[Hook]
All up in my face ho, a young nigga about to go catch a case ho
I'm the man where I'm from, thought you heard
You a bird whats the word you a nerd
