

# Twist

## Phish

I spoke your name for many days  
Pronouncing it in several ways I spoke your name for many days  
Pronouncing it in several ways  
And moving letters all around And when you heard the end result  
I told you it was not my fault  
If you were here more of the day  
It wouldn't twist around that way It wouldn't twist around that way  
It wouldn't twist around that way  
It wouldn't twist around that way  
It wouldn't twist around that way It wouldn't twist around that way  
It wouldn't twist around that way  
It wouldn't twist around that way  
It wouldn't twist around that way  
It wouldn't twist around that way It wouldn't twist around that way  
It wouldn't twist around that way  
It wouldn't twist around that way  
It wouldn't twist around that way Wouldn't twist around  
Wouldn't twist around  
Wouldn't twist around
