

# I Think I'll Call It Morning

**Gil Scott-Heron**

I'm gonna take myself a piece of sunshine  
And paint it all over my sky  
Be no rain, be no rain I'm gonna take the song from every bird  
And make 'em sing it just for me  
Bird's got something to teach us all about being free, yeah  
Be no rain, be no rain And I think I'll call it morning from now on  
Why should I survive on sadness and tell myself I've got to be alone  
Why should I subscribe to this world's madness  
Knowing that I've got to live on, knowing that I've got to live on  
Knowing that I've got to live on  
Yeah, I think I'll call it morning from now on I'm gonna take myself a piece of sunshine  
And paint it all over my sky, yeah  
Be no rain, be no rain I'm gonna take the song from every bird  
And make 'em sing it just for me, yeah  
'Cause why should I hang my head  
Why should I let tears fall from my eyes When I've seen everything there is to see  
And I know there is no sense in crying  
I know there ain't no sense in crying  
Yeah, I think I'll call it morning from now on, yeah  
I'll call it morning from now on, yeah  
'Cause there ain't gonna be no rain, be no rain  
Be no rain, be no rain from now on
