

White Trash (Tony F. Wiggins Remix)

[Marilyn Manson](#)

Virgins sold in quantity,
African-American heredity.
I'm playin' my guitar and I'm feelin' fine.
Why are all the niggers in the unemployment line? White Trash get down on your knees;
Time for cake and sodomy.
White Trash get down on your knees;
Time for cake and sodomy. Teenage girl, a teenage queen;
'Til she's on video -- A PORNO queen!
She likes to give head.
She likes it mean.
That's why she's my little queen.
White Trash get down on your knees;
Time for cake and sodomy.
White Trash get down on your knees;
Time for cake and sodomy. Yeah...
White boy tryin' to get some behind:
"Who says date rape isn't kind?"
Who's he gonna go?
Who's he gonna please?
It don't matter,
As long as she's on her knees.
White Trash get down on your knees;
Time for cake and sodomy.
White Trash get down on your knees;
Time for cake and sodomy.
