Ring on Every Finger

LOCASH

I got a pounding in my chest baby
Feels like I'm 17 again.
Got something burning a hole in my pocket lately
Done asked your daddy, done told your friends.Girl, I ain't gettin down on one knee
Girl, I'm gettin on two.
Might be over the top but I tell you what I'm gonna do
I will put a ring on every finger
Just to show that I'm legit.
Gonna try my last name on ya
Just to see if it fits.
If I could baby
Oh I would marry you a million times,
Put a ring on every finger
Just to show the whole world that you are mine.
Show the whole world that you're mine.Well Senorita, can't nothing be sweeter
Than you in that white wedding dress,
Even the church and white limousine.
Girl, why you cryin,
It aint rocket science
All you gotta do is say yes.
Spend the rest of your life with me.Don't you know I ain't gettin down on one knee
Until I'm gettin down on two.
It might be over the top baby
But I tell you what I'm gonna do
I will put a ring on every finger
Just to show that I'm legit.
Gonna try my last name on ya
Just to see if it fits.
If I could baby
Oh I would marry you a million times,
Put a ring on every finger
Just to show the whole world that you are mine.
Show the whole world that you're mineLet's spend this life together
Dropping f bombs like forever
With the whole world as a witness
Gonna flip that Miss to a Mrs.Let's spend this life together
Dropping f bombs like forever
With the whole world as a witness
Gonna flip that Miss to a Mrs.I will put a ring on every finger

Just to show that I'm legit.
Go ahead and try my last name on
Just to see if it fits.
If I could baby
Oh I would marry you a million times,
Put a ring on every finger
Just to show the whole world that you are mine.
Show the whole world that you're mine
