

# Is My Love Enough?

## White Lies

I overthink on my thinking  
Thinking this way for you  
I overdream every dream, my love  
When I dream about you  
I don't know what to feel anymore  
Feeling all this for you  
I don't know what it means anymore  
If you mean that much to me No one plans for an accident  
And I'm sure that I'm unprepared  
No one plans for an accident  
Though I know, I know I did  
If I could make it right  
I'd make it right now  
If I could make it right  
Oh, I'd make it right now  
I know I have to leave  
But it hurts so much  
Just knowing that my love  
Might never be enough If I could make it right  
I'd make it right now  
If I could make it right  
Oh, I'd make it right now  
I know I have to leave  
But it hurts so much  
Just knowing that my love  
Might never be enough  
I make no sense of these numbers  
Counting my love for you  
I stay awake and I wonder how I  
Could tear away your blues  
Oh I know that I'm under and I  
Never get over you  
Every word is like sunder  
Every silence leaves a bruise No one plans for an accident  
And I'm sure that I'm unprepared  
No one plans for an accident  
Though I know, I know I did If I could make it right  
I'd make it right now  
If I could make it right

Oh, I'd make it right now  
I know I have to leave  
But it hurts so much  
Just knowing that my love  
Might never be enough  
If I could make it right  
I'd make it right now  
If I could make it right  
Oh, I'd make it right now  
I know I have to leave  
But it hurts so much  
Just knowing that my love  
Might never be enough  
So tell me, is this love enough?  
Tell me what is really worth  
So tell me, is this love enough?  
Tell me what is really worth  
I don't know what to feel anymore  
Tell me, is this love enough?
