4Ever (feat. Fabolous)

Lil' Mo

Baby, I'm at the point in my life
When I'm tired of playing games
I'm ready to settle down
I'm ready to buy a house
And I'm ready to change my last name
I'm ready to have some kids
Ready for the life to live
And all love has to give
I been your superwoman for so long
I'm ready to be your wifeLittle M-ONow that love's taken over
I'm 100% sure that it's here to stay
I ain't got no issues standing in my way
I ain't going nowhere
You ain't going nowhere soLet's make it official
We ain't getting no younger baby
And I'm ready to be with you
Together for always
To have and to hold through sickness and through health
You might think I'm crazy babyCan you live with it, lovin me for life
To have and hold forever
Baby ride or die til death do us part
Let's make it last foreverAre you ready to be happy babe
For the rest of your life
Cause I wanna be your future, yeah
And let's start a family
Cause I ain't going nowhere
And you ain't going nowhere so let's make it officialLet's make it official
We ain't getting no younger baby
And I'm ready to be with you
Together for always
To have and to hold through sickness and through health
You might think I'm crazy babyCan you live with it, loving me for life
To have and hold forever
Baby ride or die til death do us part
Let's make it last foreverI'm ready to walk down that aisle in all white
And dedicate my life to you (yeah, yeah)
And live together happily ever after allAll I been thinking bout is us
Sliding from weddings with bands on
Heading to San Juan, getting our tan on

Girl, you must be forgetting your man's long
Most tuxes I have trouble getting the pants on
And I know things run through your head when your man's gone
I come home have you saying (Oh Boy) better than Cam'ron
We upsetting they plans on
Getting they chance on
Getting they hands on F-A-B-OCan you live with it, loving me for life
To have and hold forever
Baby ride or die til death do us part
Let's make it last foreverCan you live with it, loving me for life
To have and hold forever
Baby ride or die til death do us part
Let's make it last foreverMake it last forever
And ever and ever
Can you live with it, loving me for life
