

# Summerlove

## De AprÃ's Skihut

Summer love  
They call it summer love  
But oh, how it feels  
And I don't believe make believe  
But I was a lonely boy  
And you were a lonely girl  
And we're together tonight  
Summer love made it right

Summer love  
They called it summer love  
But some how it's real  
Could see by that look in your eyes  
That you were a lonely girl  
And I was a lonely boy  
And when the evening was done  
Summer love made us one

I don't believe make believe  
But I was a lonely boy  
And you were a lonely girl  
And when the evening was done  
Summer love made us one.

I was a lonely boy  
And you were a lonely girl  
But we're together tonight  
We're together tonight  
Summer love  
Summer love made us one
