

Good Feeling

Violent Femmes

Good feeling
Won't you stay with me just a little longer
It always seems like your leaving
When I need you here just a little longer Oh, dear lady, there's so many things
That I have come to fear
Little voice says I'm going crazy
To see all my worlds disappear Vague sketch of a fantasy
Laughing at the sunrise
Like he's been up all night Ooh slippin' and slidin'
What a good time but now
Have have to find a bed
That can take this wait Good feeling
Won't you say stay with me just a little longer
It always seems like your leaving
When I know the other one, just a little too well Oh, dear lady
Won't you stay with me just a little longer
Y'know it always seems
Always seems like your leaving
When I need you here just a little longer
