The Hunter Gets Captured By the Game

Bette Midler

every day things change and the world puts on a new face
certain things rearrange and this whole world seems like a new place, oh yeah
secretly I've been trailin' you like a fox that preys on a rabbit I had to get you so knew, I had to learn your ways and your habits
oooh, you were the catch that I was after, but I looked up and I was in your arms and I knew I had been captured
what's this whole world coming things just ain't the same
any time the hunter gets captured by the game oh yeah, oh yeah
I had laid such a tender trap, hoping you might fall into it
but love hit me like a sudden slap, one kiss and then I knew it
ooooh, my plan didn't work out like I thought
cause' I had laid my trap for you but it looks like I got caught
what's this whole world coming to things just ain't the same
any time the hunter gets captured by the game oh yeah, oh yeah
oh yeah
