

# Goodbye Sober Day

## Mr. Bungle

Your lips say one thing  
But the drugs say another  
How can I massage

This inter-galactic ulcer?Goodbye sober dayHello milky way...Pin my ear to the wisdom post

Hang me up and drain me dry  
Mend my shipwrecked spirit

Lift the veil from my eyesGoodbye sober day

The years grew wings and flew awayGhosts of the past become barbarians  
Of the future...

And I still pity you

Because what you said was trueGoodbye sober day

Hello milky way...May your sun be blown out just like a candle  
May your sea burn like tar

May your sky be rolled up like a scroll

May your blue moon drip with bloodWhat would they say  
If you went up in smoke?

If I dug you up

And made soup of your bones?Goodbye sober day
