

Not A Day Goes By

Leatherface

Got a picture of you, I carry in my heart
Close my eyes I see it, when the world gets dark
Got a memory of you, I carry in my soul
Wrap it close around me, when the nights get cold
And if you ask me how I'm doing, I'd say just fine
But the truth is baby, if you could read my mind
Not a day goes by, that I don't think of you
After all this time, you're still with me it's true
Somehow you remain, locked so deep inside,
Baby, baby, Oh baby,
Not a day goes by!
I still wait for the phone, in the middle of the night
Thinking you might call me, if your dreams don't turn out right
And it still amazes me, that I lie here in the dark
Wishing you were next to me, with your head against my heart.
And if you ask me how I'm doing, I'd say just
fine
But the truth is baby, if you could read my mind,
Not a day goes by, that I don't think of you
And after all this time, you're still with me it's true
Somehow you remain, locked so deep inside
Baby, baby, Oh baby,
Not a day goes by!
Minutes turn to hours, and the hours to days
Seems it's been forever, that i felt this way!
Not a day goes by, that I don't think of you
After all this time, you're still with me it's true.
Somehow you remain, locked so deep inside,
Baby, baby, Oh baby,
Not a day goes by!
That i don't think of you.
