Fuel Fandango

there's no places to go,
i can see in your eyes
where's the hopesadness is a place invented by
this mighty world
don't be afraidwe are here, create your...
we are here,
create your singular world
we are here, create your...
mira pal cielo y descubriras
un oceano de tiempo
libe por navegar(i fell weak, dry and tired
but now is time to rise my hands)sadness is a place invented by
this mighty world
don't be afraidwe are here, create your...
we are here,
create your singular world
we are here, create your...mira pal cielo y descubriras
un oceano de tiempo
libe por navegarEscape from the land, if you desire it
i can see in your eyes where is the hope
we are here, create your...
we are here,
create your singular world
we are here, create your...mira pal cielo y descubriras
un oceano de tiempo
libe por navegar
