

# Forget You

## Corcovado Frequency

What went on last night?  
Was it just another stupid fight?  
Will we be again  
Or will we both regret this in the end?  
Why can't I forget you and everything you do?  
It's so hard to do  
Why can't I forget you and everything you do?  
It's so hard to do  
Consider me your friend  
Until you do that stupid shit again  
I believed all you told  
And you left me hanging out so cold  
  
Why can't I forget you and everything you do?  
It's so hard to do  
Why can't I forget you and everything you do?  
It's so hard to do  
Why can't I forget you and everything you do?  
It's so hard to do  
Why can't I forget you and everything you do?  
It's so hard to do  
Why can't I forget you and everything you do?  
It's so hard to do
