Not Nothing

Mxpx

Do you find pleasure in the pain
Or something I haven't seen?
You're so sad and you're a sadist
I'm not the only one to say this
You're not nothing, you're less than nothing
I trusted much too easily
You're not nothing, you're less than nothing to me
Nothing to me
I can't believe that I believed
All the lies you conceived
I just can't see how you can't see
The plague that you brought on me
You're not nothing, you're less than nothing
I trusted much too easily
You're not nothing, you're less than nothing to me

Nothing to me
Goosfraba, goosfraba
I've got to calm myself down
Goosfraba, goosfraba
I've got to calm myself down
Goosfraba, goosfraba
I've got to calm myself down
Goosfraba, goosfraba
I've got to calm myself down
You're not nothing, you're less than nothing
I trusted much too easily
You're not nothing, you're less than nothing to me
Nothing to me, nothing to me, nothing to me
