Skip the Use

i love rock n' roll
do believe in it
listen to me cause i tell you something
there's many bastards, welcome in my world
i give you my load, die ! if you're lying to me !open your eyes and shut the window
please run as fast as you can
we are a crew and we're fighting for you
rocking is looooooosing if you wanna be free
how are you talking to me
we start it today
that's a bastard songdon't mind your color
where is your honnor
please taste my flavor
die if you're lying to me !
welcome in my world
no there is no god
i give you my load
die if you're lying to meopen your eyes and shut the window
please run as fast as you can
we are a crew and we're fighting for you
rocking is looooooosing if you wanna be free
how are you talking to me
we start it today
that's a bastard songi give you my love
