

Wickerman

Burning Image

I am the jester of Chester lane
And I'm here to entertain you
All of my fishes are here to play
And they're here just to engage you
I am the Wickerman
I am the Wickerman
I'm not a wicked man
But I'll do what I can
To please you, friends
I am the son of a paper man
But I'm not here to restrain you
Tell all the guys, that it's time for fun
And I'm here to entertain you
Repeat chorus
