

# U Can't Touch This

MC Hammer

You can't touch this  
You can't touch this  
You can't touch this  
You can't touch this  
You can't touch thisMy, my, my music hits me so hard  
Makes me say "Oh, my Lord"  
Thank you for blessing me  
With a mind to rhyme and two hype feetIt feels good, when you know you're down  
A super dope homeboy from the Oak town  
And I'm known as such  
And this is a beat, uh, you can't touchI told you, homeboy  
(You can't touch this)  
Yeah, that's how we living and you know  
(You can't touch this)Look at my eyes, man  
(You can't touch this)  
Yo, let me bust the funky lyrics  
(You can't touch this)Fresh new kicks, advance  
You gotta like that, now, you know you wanna dance  
So move, outta your seat  
And get a fly girl and catch this beatWhile it's rolling', hold on  
Pump a little bit and let 'em know it's going' on  
Like that, like thatCold on a mission so fall them back  
Let 'em know, that you're too much  
And this is a beat, uh, they can't touchYo, I told you  
(You can't touch this)  
Why you standing' there, man?  
(You can't touch this)  
Yo, sound the bell, school is in, sucking  
(You can't touch this)Give me a song or rhythm  
Making' 'em sweat, that's what I'm giving' 'em  
Now, they know  
You talking' about the Hammer, you talking' about a showThat's hype and tight  
Singers are sweating' so pass them a wipe  
Or a tape, to learn  
What's it gonna take in the nineties to burnThe charts? Legit  
Either work hard or you might as well quit  
That's word because you know  
You can't touch this, you can't touch thisBreak it down  
Stop, Hammer timeGo with the funk, it is said

If you can't groove to this  
Then you probably are dead So wave your hands in the air  
Bust a few moves  
Run your fingers through your hair This is it, for a winner  
Dance to this and you're gonna get thinner  
Move, slide your rump  
Just for a minute let's all do the bump, bump, bump Yeah  
(You can't touch this)  
Look, man  
(You can't touch this) You better get hype, boy  
Because you know you can't  
(You can't touch this)  
Ring the bell, school's back in Break it down  
Stop, Hammer time You can't touch this  
You can't touch this  
You can't touch this Break it down  
Stop, Hammer time Every time you see me  
The Hammer's just so hype  
I'm dope on the floor and I'm magic on the mic Now why would I ever stop doing this?  
With others making' records that just don't hit  
I've toured around the world, from London to Dubai  
It's "Hammer, go Hammer, MC Hammer, yo, Hammer"  
And the rest can go and play You can't touch this  
You can't touch this  
You can't touch this Yeah, you can't touch this  
I told you, you can't touch this  
Too hype, can't touch this  
Get way outta here, you can't touch this
