Stop Looking Start Seeing

Papa Roach

Hit or miss, fuck a fight
It's time to live your life
Go ahead, I know I'm right
I'm gonna lay it on the line
Put yourself in my shoes
Would you stand up for your rights
Line 'em up and knock 'em down
I'm not running scared tonight
I have climbed these walls before
And I'm not scared anymore
There's a time to lead and a time to follow
Because I won't take this anymore
(These walls)
I've climbed these walls before
(These walls)
There's a time to lead and a time to follow
I see the walls are closing in
And I feel I am in danger
My enemy is not alone
In the mirror, there's a stranger
As I tried to break out
My panic lead to fear
Hopeless, I am alone
I'm afraid the end is near
The truth doesn't always have to hurt
I have climbed these walls before
And I'm not scared anymore
There's a time to lead and a time to follow
Because I won't take this anymore
(These walls)
I've climbed these walls before
(These walls)
There's a time to lead and a time to follow
Stop looking
Start seeing now
Right now
Stop looking
Start seeing now
Right now

The truth doesn't always have to hurt
I have climbed these walls before
And I'm not scared anymore
There's a time to lead and a time to follow
Because I won't take this anymore
(These walls)
I've climbed these walls before
(These walls)
There's a time to lead and a time to follow
I have climbed these walls before
(There's a time to lead and a time to follow)
I have climbed these walls before
(There's a time to lead and a time to follow)
And I'll never be the same
And I'll never be the same
(Why does the truth always have to hurt?)
