

# Brave (1998 Remastered Version)

## Marillion

What a brave, brave girl  
Never lied before  
Such a plain deceit  
Everyone would eventually know  
What a brave, brave girl  
Never loved before  
Placed herself in reach  
So he tried in his own way  
To find the heart of the tight packed rose  
She's gone now  
But, oh, she aches, she aches  
He will search until he's found  
A way to take the days  
See her sadness in your face  
She's inside you and she's crying
