I Wanna Be Loved

Johnny Thunders

Well won't you listen baby
To what I wanna say
I'm so crazy 'bout you
I don't wanna play[Chorus]
I wanna be loved
Be loved by you
I wanna be loved
Be loved by youYou clawed your way to the top
I don't care if you're a flop
I'll do what I gotta do
To take care of youI wanna be loved
Be loved by you
I wanna be loved
Be loved by you[Chorus:Repeat x2]You can change my eye
You can change your time
You can do what you want
You better read between the linesI wanna be loved
Be loved by you
I wanna be loved
Be loved by you[Chorus:Repeat x2]
