The One

Twin Shadow

(Verse)
I'm in love with the end of a book
You role in with the cruel world
There's something that's missing
There's something about you
My lies with the coldest star
You would do the unthinkable for me
(Pre-Chorus)
I can't believe sometimes
I let down the one today
I can't believe sometimes
I lost the one who cared
(Chorus)
So I'm putting all my love
On the one, the one who's always there
And I'm sending down my love, to her
Yeah I'm putting all my love
Off the one, the one who's always there
And I'm starring down my love at the one
The one who's always there

(Verse)
I'm in love with my memories
You're alone with my stuttering, hard
There's something that's missing
There's something about you
And my eyes with the coldest sky
You would do the unthinkable for me
(Pre-Chorus)
I can't believe sometimes
I let down the one today
I can't believe sometimes
I lost the one who cared
(Chorus)
So I'm putting all my love
On the one, the one who's always there
And I'm sending down my love, to her
Yeah I'm putting all my love
Off the one, the one who's always there

And I'm sending all my love to the one
The one who's always there
