Your Embrace

Shakira

Tell me, what's the use
Of the twenty-four inch waist
If you don't touch me?
Tell me, what's the use again
Of being on TV every day
If you don't watch me?
This house is full of emptiness
My closet's full of dresses
That I'll never wear
My life is full of people
But you're my only friend
My best friend
Hope it isn't too late to say I love you
Hope it isn't too late to say
That without you this place looks like London, it rains every day
Don't you know it, babe
I'm only half a body
Without your embrace
Let me tell you why
My heart is an unfurnished room
Any suggestions?
Don't have to tell you more than that
'Cause no one knows me like you do
Without exception
This house is full of emptiness
My closet's full of dresses
That I'll never wear
My life is full of people
But you're my only friend
My best friend
Hope it isn't too late to say I love you
I hope it isn't too late to say
That without you this place looks like London, it rains every day
Don't you know it, babe
I'm only half a body
Without your embrace
Hope it isn't too late to say I love you
Hope it isn't too late to say
That without you this place looks like London it rains every day

Don't you know it, babe
I'm only half a body
Without your embrace
