

# Beautiful

## Taylor Dayne

Oh oh oh ah  
What I say what I say  
Uh uh, yeah  
Oh oh oh ah I just live for your love  
The warmth of your embrace  
I can't get enough  
Baby now I gotta need for your touch,  
So much  
I look into your eyes  
I feel hypnotized, baby by you Darlin' you're beautiful  
You give what you got  
And you got a lot, baby you do  
Darling it's true cause  
You makin' me so hot  
I don't wanna stop  
It's not a fairytale the things you say  
The things that you do [Chorus]  
Baby you're beautiful  
So give me what you got  
Cause you got a lot, baby you do  
Darling you're beautiful  
So give me all you got  
Don't you ever stop  
Uh, yeah I just work for your love  
This hold that's over me  
There's no better drug  
So baby I can't find the right words  
To explain  
What it feels like to be me  
When you say my name Baby I do what I have to because  
You takin' me so high that I kiss the sky  
Baby it's true, darling I knew cause  
You give me butterflies  
Make me wanna cry feels so high can't describe  
This feelin' inside [Chorus] I can't explain the way I feel  
You are the answer to my dreams  
My every love inside  
I see that I was blind

There's nothin' but blue blue skies[Chorus: x3]
