Funny Man

Cledus T. Judd

I was the class clown,
I kept them laughing out loud.
Known all over town for turning frowns upside down.
I guess it's just a gift that God blessed me with,
And I'm thankful everyday that he made me this way.
I may not always feel like putting on a show,
But when I hear these words I Just can't say no.Chorus
Make me laugh Funnyman,
No one can do it like you can.
I sure would like to smile,
Forget my troubles for awhile.
With a joke you know how to make the sun shine though the clouds.
If it's no to much to ask,
Make me laugh Funnyman.Now I've made it my life to play the fool every night.
I must have been a million miles seen at least that many smiles.
And it's a dream come true doing what I love to do.
And if it ended tonight I've had the time of my life.
Here's to all the friends and fans I've made along the way,
I know I wouldn't be here if I hadn't heard you say...
-repeat chorus-Sometimes I hate to leave the stage.
Cause then the laughter fades away.
And then the crowd goes home,
And leaves me all alone.
And I look in the mirror and one more time I say...
-repeat chorus-
