

# That's How I Go

## Baby Bash

That's how I go

[This your boy Li'l John]

That's how I go

[and your boy Baby Bash]

That's how I go

[Mario]

How I go how I go I let the roof drop

Drippin' candy with super baby

In my new car

And I'm glad that she love to have me

Im like ooh Lord

From Jamaica to Puerto Rico down to Utah

From Miami to California they some cool broads

Haters tell me they can't be mad at my new job

We be goin' hard in the bank like a hoop star

Its finger li- lickin' good like a full course

Give it to ya girl don't have to tell you baby

You start if you like it you know I love it

Baby, 2 more

And the smell of that new Chanel girl, it never fail

We can fly away or just drive

Baby, heads or tails?

And oh yeah, and oh yeah Said I met a lot of ladies and I travel the world

Sometimes I party like crazy showin love to the girls

Thats how I go, thats how I go girl, thats how I go girl

I go and go, thats how I go girl, thats how I go girl

And then my pockets look gravy with plenty to give

Somebody 'bout to have my baby and the key to my crib

Thats how I go, thats how I go girl, thats how I go girl

I go and go, thats how I go girl, thats how I go girl I said man girl you think its 5 o'clock traffic on that 101

Maybe later on tonight me and you can have ourselves a 1 on 1

I swear I've seen you somewhere else

Maybe it was on a movie screen

Maybe it was on a television

Or on the cover of a magazine

I know and I don't care

Let me see your underwear

Let me see how thick you is baby

Let me see whats under there

Everybody know we go go go go oh so fast when im on my grind  
But I can't lie when I see that ass  
I slow it down and take my time Said I met a lot of ladies and I travel the world  
Sometimes I party like crazy showin love to the girls  
Thats how I go, thats how I go girl, thats how I go girl  
I go and go, thats how I go girl, thats how I go girl  
And then my pockets look gravy with plenty to give  
Somebody 'bout to have my baby and the key to my crib  
Thats how I go, thats how I go girl, thats how I go girl  
I go and go, thats how I go girl, thats how I go girl Girl I gotta red eye flight, soundcheck, another photo shoot  
Girl I gotta go I gotta do another interview  
Studio tonight have a banger you could listen to  
Baby you ain't even gotta ask  
You know I'm missin' you  
The money keep comin girl, cause we keep goin  
Yeah we go and go and go and go and go and keep goin  
Yeah the money keep comin girl, cause we keep goin  
Yeah we go and go and go and go and go and keep goin Said I met a lot of ladies and I travel the world  
Sometimes I party like crazy showin love to the girls  
Thats how I go, thats how I go girl, thats how I go girl  
I go and go, thats how I go girl, thats how I go girl  
And then my pockets look gravy with plenty to give  
Somebody 'bout to have my baby and the key to my crib  
Thats how I go, thats how I go girl, thats how I go girl  
I go and go, thats how I go girl, thats how I go girl Thats how we go.
