

Ready to Go

French Montana

(HOOK)

Yeaaa Im ready to go

Baby no I aint tryina wait up

I know you you ready to go Ahhh

Ge up outta here, bottles in the air, shots of patron, purple in the air

I have you yelling Yeaa, I'm ready to go ow

(verse 1)

2 drops, no top and no bikini

Gold watch, Gold chain, Gold lamborghini

Fresh seats, fresh feet, house two storys

I'm all airs, white airs, I dont do maurys

purple smoke, purple range, purple laker cap

chain blue like the parking for the handicap

Kinda loopy, but its scary once you tell me take it

weed, bread, scrambled eggs with the turkey bacon

I wake up in the the morning to a fresh start

Lets talk, countin up the bread be the best part

Yellow mazzaraati coke boys license plate

Nice day, dealing through the hurdles getting life straight(HOOK)

Yeaaa Im ready to go

Baby no I aint tryina wait up

I know you you ready to go Ahhh

Ge up outta here, bottles in the air, shots of patron, purple in the air

I have you yelling Yeaa, I'm ready to go ow(verse 2)Her stomach so polluted, toot it then I boot it

Got somethin newer, hop in and shoot up

Get up outta here, high up in the lear

Shots of patron, purple in the air yeaaa

I never wanna go back

You dont tell the radio listen to the throwback, for a fact

Always chasing, never wonder once I get to have it

Egyptian cloth, expensive habbits

Shawty holdin out she aint tryina make it sleazy

I'm tryina maintain the money cuz I make it easy

Mr. 16 011' why try
