

Beggars and Thieves

Greenrose Faire

And the night has come...
After the setting sun
only strongest will survive.
It's not a dream.
Though everyone's at sleep,
it's time for you and me,
for the beggars and the thieves.

(Woo-oh-ooh x4)
For the beggars and the thieves.
x2

And there's blazing fires.
Like magic in the air
so come if you dare,
now we're all here.
We're waiting for the sign
that the legends never die
and the tales come alive.

(Woo-oh-ooh x4)
For the beggars and the thieves.
x2

[Music break]

(Woo-oh-ooh x4)
For the beggars and the thieves.
x4

[Music break]

(Woo-oh-ooh x4)
For the beggars and the thieves.
For the beggars and the thieves.
For the beggars and the-
beggars and the thieves.
