God Is Faithful

Kelly Price

Can I share my story
About my journey
Ups and downs I've had plenty
Looking for love in all the wrong places
But I found nothing to fill my empty spaces

I looked for mother she wasn't there
No father around to care
Sisters and brothers were not around
And my friends no where to be found

But when I called Jesus
He was right there
To hear my cry
And answer my prayer
The lord is so faithful
He's been better to me
Then I been to myself

Vs ii
The doctor told me
Twas nothing he could do
He shook his head
And he left the room

Then I remembered
Your words I read
In the holy scriptures
Where it said

That you were wounded for my transgressions
You were bruised for my iniquities
By your stripes I'm already healed
So right then I dropped to my knees

And I called Jesus
He was right there
He heard my cry
He answered my prayer
He is faithful

He's been better to me
Than I been to myself

God is faithful
Yes he's faithful
And if he said it
It will come to pass

God is faithful
Oh yes he's faithful
Oh!

If he said it
I believe it
I don't doubt it
I receive it!
God is faithful, yes he's faithful

The Lord is faithful

My God is faithful, my God is faithful mmmm
