

Back of My Hand

Nico Vega

Hmm, ah, hmm-hmm ah
Hmm, ah, hmm-hmm ah
Hmm, ah, hmm-hmm ah
Uh, uh, uh, uh
Uh, uh, uh, uh
Uh, uh, uh, uhMy God, you protect me
You always told me I would grow.
When I was brokenhearted,
I was always left aloneAnd I make out with the back of my hand
I pretend its a man, yeah, I pretend its a man!
Yeah, I make out with the back of my hand
I pretend its a man, yeah, I pretend its a man!They called the all man
The little dark man, the ugly duckie
Always, look behind and
Always trying to make a life.And I make out with the back of my hand
I pretend its a man, yeah, I pretend its a man!
Yeah, I make out with the back of my hand
I pretend its a man, yeah, I pretend its a man!Oh, I know you've been there too
Yes, I know you've been there too
Oh, I know you've been there too!Oh, and I make out with the back of my hand
I pretend its a man, yeah, I pretend its a man!
Yeah, I make out with the back of my hand
I pretend its a man, yeah, I pretend its a man!And I make out with the back of my hand
I pretend its a man!
And I make out with the back of my hand
I pretend its a man!Hmm, ah, hmm-hmm ah
Hmm, ah, hmm-hmm ah
