

Moonwalk

Earth, Wind & Fire

Challenges to the sky man made wings to fly
Genius masterminds conquered changing times
And though he'd done everything
When he walked on the moon, they sang Here I am, down on earth and baby for all it's worth
Meaning the world to me, lovin' you faithfully
We got a better song to sing
Let's make the love bells ring Wanna take you on a moonwalk baby
Wanna take you on a magic carpet ride
Forever my love, you'll be mine We can have a little moon talk baby
About our future plans together
In this life ole fashion love will make it right Computers on the rise
Our feelings are synthesized
Makes it hard to feel
The touch of your love that's real We never take time to love
We think one love is not enough
Million stars in the sky
But one star that shines in my eyes, it's you Wanna take you on a moonwalk baby
Wanna take you on a magic carpet ride
Forever my love, you'll be mine We can have a little moon talk baby
About our future plans together
In this life ole fashion love will make it right We got a better song to sing
Let's make the love bells ring
Million stars in the sky
But one star that shines in my eyes It's you, baby it's you
Let's blast off up the moon
