

Look In My Eyes Pretty Woman

[Tony Orlando & Dawn](#)

Time is on my side
Though the world keeps gettin' colder
'Cause I've got you, girl
To ease my troubled mind, ooh I'm a different man
When your head is on my shoulder
I can find the answers in me
That I never thought I'd find 'Cause when you look in my eyes, pretty woman
The world is a peaceful place
All I can see when there's you
And there's me is love upon your face Stand by me, baby, and we'll find the way
Before our day is done
Oh, look in my eyes, pretty woman
And we'll overcome You're my guiding star
You're my faith, my hope, my power
When I just can't find a reason to believe Touch my hand with love
And you light my darkest hour
I can feel the warmth returning
And my pain about to leave 'Cause when you look in my eyes, pretty woman
The world is a peaceful place
Oh, all I can see when there's you
And there's me is love upon your face Stand by me, baby, and we'll find the way
Before our day is done
Oh, look in my eyes, pretty woman
And we'll overcome, yeah Oh, look in my eyes, pretty woman
The world is a peaceful place
Oh, all I can see when there's you
And there's me is love upon your face Oh, stand by me, baby, and we'll find the way
Before our day is done
Oh, look in my eyes, pretty woman
And we'll overcome Say look in my eyes, pretty woman
