Kid

Matthew Sweet & Susanna Hoffs

Kid what changed your mood
You've gone all sad so I feel sad too
I think I know some things we never outgrow
You think it's wrong
I can tell you do
How can I explain
When you don't want me toKid my only kid
You look so small you've gone so quiet
I know you know what I'm about
I won't deny it
But you forgive though you don't understand
You've turned your head
You've dropped by handAll my sorrow, all my blues
All my sorrowShut the light, go away
Full of grace, you cover your face
