[Beckah Shae](#)

I see you lookin lookin like you wanna dance, I'm watchin wonderin why you don't take the chance?
Go ahead and take His hand. What are you scared of man? What are you scared of? Man?
I know you got it in you, Now just let it out. Don't miss the moment, this is what it's all about.
It's everywhere, look around, So many treasures to be found. So we gotta, keep truth seeking, listen to wisdom
speaking, catch his heartbeat and Abide Abide Abide
Keep truth seeking, listen to wisdom speaking, catch his heartbeat and see the world through Gods eyes! Put, Put
your, Put your love, Love, love
Put your, put your love, love
Put your love glasses on, Glasses on
Can you feel it, it's in the air, it's how we choose to breathe. People treatin eachother either with honor or
jealousy.
Rude rude, cutin others down cause they aint what you think you need.
Truth is we all need one another, Some are just too prideful to see.
God give us grace to see all things, To see mans' heart the way You see
Gotta get get get that vision (love vision) vision oh
Love bears all things believes all things, Hopes in all things endures in all things
So we gotta get that vision!
