Hideaway

Kiesza

Taking me high up where I've never been before
I'm holding it back, just one sec, I won't be longYou're just a hideaway, you're just a feeling
You let my heart escape, beyond the meaning
Not even I can't find a way to stop the storm
Oh, baby, it's out of my control, it's going homeYou're just a chance I take to keep on dreaming
You're just another day that keeps me breathing
Baby, another week-end, there's nothing sure
Baby, don't stop me, hide away with me some more!Uh, you send me the shiver and the spine might overflow
You're bringing me closer to the edge, I'm letting go
You're just a hideaway, you're just a feeling
You let my heart escape, beyond the meaningCover my head into the clouds I'm going home
When letting me go and I can't find a way to stop
You're just a chance I take to keep on dreaming
You're just another day that keeps me breathingBaby, I love the way that there's nothing sure
Baby, don't stop me, hide away with me some more
Hide away with me some moreTaking me high up where I've never been before
I'm holding it back, just one sec, I won't be longYou're just a hideaway, you're just a feeling
You let my heart escape, beyond the meaning
Not even I can't find a way to stop the storm
Oh, baby, it's out of my control, whats going on?You're just a chance I take to keep on dreaming
You're just another day that keeps me breathing
You're just a chance I take to keep on dreamingBaby, another week-end, there's nothing sure
Baby, don't stop me, hide away with me some more
Hide away with me some more
