Set Me Free

Bradley Bridges

Wars are waged on the frontiers of our minds
Casualties are falling all the time
Burdened by burdens that I cannot understand
I am the prisoner within this old manâ€¦ singing:

Set me free, set me free,
set me free from me

Temptation comes with the dark of the night
They love to talk about their hatred for the light
Like a lion satan is clawing at my door
To my knees I fall and cry out from the floorâ€¦ singing:

Set me free, set me free,
set me free from me Jesus my King
Set me free, set me free,
set me free from me

Before the sin thereâ€™s a think, thunk and thought
Weâ€™ve all been the one to say itâ€™s not our fault
Well, whoâ€™s gonna take the blame when judgment day it comes
Iâ€™m gonna call His name and to His arms Iâ€™ll runâ€¦ singing:

Set me free, set me free,
set me free from me Jesus my King
Set me free, set me free,
set me free from me

Set me free, set me free,
set me free from me Jesus my King
Set me freeâ€¦ , set me freeâ€¦ ,
set me free from meâ€¦ï»¿
