

# Chain Gang Is The Click

John Cena

We fight together we ride together  
Right now we gonna get loud together  
Chain gang is the click it's Trademarc  
The truth it's a basic thuganomics  
I'm raining fire like apache helicopters  
We fight together we ride together  
Right now we gonna get loud together  
Chain gang is the click it's Trademarc  
The truth it's a basic thuganomics  
I'm raining fire like apache helicopters  
Prepare for the worst we comin' thunderin' opposition wonderin'  
How they get the drop on us we set up and lock corners try to put  
A stop on us we react so quick the 50 couldn't even call the cops on us  
Steady put the rocks on us but my chain stay still, still my name  
Stay real spit the flame they feel I no the game take skill that why  
The brains stay ill we 'bout to change the deal keep the champagne  
Chilled we sippin'? With a molly rose y'all belly meatin' beef and  
Nothing but bologna foes your phony flows we stopping rise own  
The own the game y'all is leasing with the option to buy your flight been  
Delayed kid you not gonna fly we got the army throw your hands  
To the sky this is chain gang bitch, don't bother to check us y'all  
Don't got to like us but you gon respect us motherfucker  
We fight together we ride together  
Right now we gonna get loud together  
Chain gang is the click it's Trademarc  
The truth it's a basic thuganomics  
I'm raining fire like apache helicopters  
We fight together we ride together  
Right now we gonna get loud together  
Chain gang is the click it's Trademarc  
The truth it's a basic thuganomics  
I'm raining fire like apache helicopters  
Listen baby I'm just tryin' to eat it's the same game that put  
Chain gang in the street got goons with a few hundred clips  
In the heat it's the same sex violence and money dyin' to meat  
Goddamn I'm a fan it's music move me I found writhing rhymes  
Was soothing don't lose me never let the truth allude me the skills  
I respect I expect you Dolly some got gifts man but reflect it crudely  
That why I keep it real like rejected movies what now and no what was

Or would be only sing along if you understood me the seen hip hop

Dawg ain't were it could be trademark will take y'all right where  
It should be you actors that's where it stops you stars on stage

Y'all adecrative props what now

We fight together we ride together  
Right now we gonna get loud together  
Chain gang is the click it's Trademarc  
The truth it's a basic thuganomics  
I'm raining fire like apache helicopters  
We fight together we ride together  
Right now we gonna get loud together  
Chain gang is the click it's Trademarc  
The truth it's a basic thuganomics  
I'm raining fire like apache helicopters

Look man my voice Cristen in beats your vision see ripples  
On concrete for glisten heat whenever I speak I walk streets?

Trademarc John Cena Freddie fox and Rup corrupt mob  
The chain gang spittin' the same slang let the iron go bang bang  
And came man let the church bells ring ring to all y'all coppin'

The lot let it hang hang

Y'all think we lucky that ain't nothin' new to me 'cause

Luck is preparation lockin' heads with opportunity

So far I just had to listen and learn play my position and earn

With the vision and burn, now the shit is all turned and I'm

Reppin' for pride where I'm from you either step up or step aside

Want some get some stop drop and parallel chain gang run this bitch

Lock stock and barrel

We fight together we ride together  
Right now we gonna get loud together  
Chain gang is the click it's Trademarc  
The truth it's a basic thuganomics  
I'm raining fire like apache helicopters  
We fight together we ride together  
Right now we gonna get loud together
