

# Missing You

Billy Ray Cyrus

I live for the phone, I die for the mail  
I took your picture right off the nail  
And put it right by my bed  
So I could see you instead  
Of the darkness of night  
I hold conversations with you in my mind  
They only tighten this knot deep inside  
And the aching won't end  
Till I hold you again  
If I only survive  
Why did you have to go?  
Why am I missing you so?  
One heartbeat at a time  
I'm going out of my mind  
Missing you, missing you  
I started a letter, I stared at your name  
There wasn't a line that didn't echo my pain  
There was no sound at all  
But the slow lonely fall  
Of an unspoken tear

Why did you have to go?  
Why am I missing you so?  
One heartbeat at a time  
I'm going out of my mind  
Missing you, missing you  
Life may take us in different directions  
But I'll always end up deeper, deeper in my true affection  
Why did you have to go?  
Why am I missing you so?  
One heartbeat at a time  
I'm going out of my mind  
Missing you, missing you  
Missing you, missing you  
Missing you, missing you  
Missing you, missing you  
Missing you darling  
Missing you baby  
Missing you, missing you
