

# Good for Your Soul

## Oingo Boingo

Have you ever felt that somehow you were not yourself?  
That your body was the same but everything around you wasn't right  
And images so strange and foreign, flooded in like raging water  
Have you ever been in love with someone you  
hardly knew?  
Whereas everytime you closed your eyes you saw this person come alive  
It kept you wide awake at night you felt like you were burning up in pain  
You want to scream then you passed out in a dream  
Just once or twice is good for your soul  
Just once or twice is good for your soul  
If you don't stop, you'll lose control  
Just once or twice is good for your soul  
Ever lay there half asleep all hours of the night  
With some nagging demon tugging at that tiny bell inside your mind  
When suddenly that strange idea bursts into an inspiration  
You grab for it and then the whole thing slips right through your fingers  
Just once or twice is good for your soul  
Just once or twice is good for your soul  
If you don't stop, you'll lose control  
Just once or twice is good for your soul  
Just once or twice is good for your soul  
Just once or twice is good for your soul  
It's good for your soul, it's good for your soul  
It's good for your soul, it's good for your soul
