

Special Feeling

Diddy

You're about to feel somethin'
That you've never felt before
C'mon, don't stop, let's ride
Yeah, talk to me now Why don't you let me give you the special feeling?
The kinda feelin' that'll make you feel so reelin'
Oh, why don't you hit me with that special feel?
The kinda feelin' that'll make me feel so real If I take you out on a date
You'll feel real special and great
So why don't we just formulate
A plan? And meet up at a special place Place, place, that sounds cool
That's right, if it's just me and you
It's just me and you against the world
I am your nigga, you my girl And you gon' feel the passion
When I'm smashin' you, climaxin'
The thrillin' is everlastin'
And yet, I got you feelin' high You're the best true, that's true
The way you do you do
I know you feelin' me, I'm feelin' you
I'm feelin' you too, girl, let's do this Why don't you let me give you the special feeling?
The kinda feelin' that'll make you feel so reelin'
Oh, why don't you hit me with that special feel?
The kinda feelin' that'll make me feel so real Let's jump in the freaky skate
Meet me at that special place
You know there's no time to waste
Girl, let's have a sexy escapade Let me make you wet
Let me make your body sweat
Let me give you passionate
Lovin' that you won't forget You love it? Yeah
Really, really need it? Yeah
You mind if I beat it up? No
Then get ready, girl 'Cause your cardiac
Be beatin' like your drummer track
And you'll be comin', comin' back
And I know that you lovin' that Why don't you let me give you the special feeling?
The kinda feelin' that'll make you feel so reelin'
Oh, why don't you hit me with that special feel?
The kinda feelin' that'll make me feel so real This is real, this is real
The way I feel, the way you make me feel
And girl, the way you make me feel so real

So real, the way I feel, the way you make me feel
And girl, you make me, make me feel so real Now that I have you here
Girl, let me take you there
There's nothin' that can't compare
To fuckin', fuckin', my dear If you so for real
It's real how you makin' me feel
I'm lickin' your sweet cherry fill
Girl, I'm givin' you thrill And that's true, that's right
The special things you do
That's why I'm feelin' you
That's why I fell in love with you You fallin' and I caught you, girl
Be secure I got you, girl
Girl, just let me rock your world
World, w-w-world, world, w-w-world
World, w-w-world, world, w-w-world
World, w-w-world, world, w-w-world Why don't you let me give you the special feeling?
The kinda feelin' that'll make you feel so reelin'
Oh, why don't you hit me with that special feel?
The kinda feelin' that'll make me feel so real
