

# Falling Out of Love

## Aqualung

I watch the sun, see it rise and fall  
Waiting for something to change  
I get through the day  
Hope to turn things around, seems like I'm falling out of love  
I'm falling out of love  
I'm falling out of love  
I'm falling out of love Feeling alone with you by my side  
Further and further away  
Funny, how long a moment can seem  
When you're trying to hold on, feels like I'm falling out of love  
I'm falling out of love  
I'm falling out of love  
I'm falling out of love Yeah, I'm falling out of love  
I'm falling out of love  
I'm falling out of love  
Falling out of love Falling, I'm falling  
I'm falling, I'm falling  
Falling, I'm falling
