My Daughter My Sons

The Obsessed

My children dear, won't you lend me your ear
I got a song of love to sing you
Live your own life,
Be honest and kind
Always speak your mind
My first born son, we saw new horizons
And the strength and love you brought here
Has made me wiser
Adventurous child,
May your heart guide your journey
And I'm so proud
To see your glory
Angel speaks with her mind
Paint me a dream in purple light
This emerald locket, look inside
Sun rays to warm my life
Angel speaks with her eyes
Take me on a magic ride
In your castle we will hide
And on the clouds we will ride
